§14–319.

(a) The Board may:

(1) License an applicant by virtue of the conceded eminence and authority of the applicant in the profession if the applicant:

(i) Is recommended to the Board by:

1. The dean of a school of medicine in the State; or
2. The Director of the National Institutes of Health;

(ii) Is to receive an appointment at the institution making the recommendation under item (i) of this paragraph; and

(iii) Meets any other requirement the Board may adopt by regulation under this section;

(2) Define by regulation the term “conceded eminence and authority in the profession” and, for this purpose, shall consider such criteria as:

- (i) Academic appointments;
- (ii) Length of time in the profession;
- (iii) Scholarly publications; and
- (iv) Professional accomplishments;

(3) Adopt regulations concerning the further qualifications of an applicant for licensure, including conditions of employment, application procedures, and fees under this section;

(4) Allow an exception to the general education and examination requirements of § 14–307(d) and (e) of this subtitle, but may not permit waiver of the requirements of § 14–307(a) through (c) of this subtitle;

(5) Qualify, restrict, or otherwise limit a license granted under this section; and

(6) Require a 6-month probationary period during which the medical services performed by the applicant granted a license under this section are supervised by another licensed physician.

(b) Upon judicial review, a determination by the Board under this section shall be accorded the maximum deference permitted by law.
